

# Maximize the performance of your on-site water and sewer systems with a Clarity Service Plan

## Clarity Service Plans

- **Water filtration systems**
- **Drilled and dug wells**
- **Septic systems**
- **Clarity Biofilters**

Servicing is a vital part of maintaining your on-site water and sewer system, but that doesn't mean it should disrupt your schedule. Sign up for our Clarity Service Plan and we will send you a reminder when your system is due for servicing and will schedule a time to suit you.

We recommend annual servicing to ensure your system continues to work safely and efficiently. Our trained technicians will carry out a comprehensive inspection and report any defects. No extra work will be carried out or replacement parts fitted without prior discussion and authority.

**Terms and Conditions** 1. Payment terms – to qualify for the 3-year pre-pay and save discounted rate, customer must pre-pay in full before the first service is booked, including any additional travel costs. 2. Pay as you go service price is subject to change. 3. Additional mileage over 25km travel distance from Witless Bay will be charged at a rate of \$0.99 per km + HST. 4. Non service plan call outs are subject to an additional charge. 5. Any replacement parts that may be required once the warranty period has expired, will be quoted and charged extra.

## 3 Year Pre-Pay and Save Service Option

Pre-pay and save – know your servicing is pre-booked at a preferential rate and save 10% on replacement parts.

Continued peace of mind – we remind you and arrange a convenient time to call.
